Hey Kathy – apologies for the delay here.

136 Woodbridge Road is our first choice, but we'd prefer not to release the others until after the holidays.

As of this point, we're interested in the 136 property through July 2021, but cannot make any commitments for long term / permanent office locations.

Thanks,

Beau

Beau ---

Good evening. I wanted to clarify two things:

1. For 136 Woodbridge --- are you planning to use this location as the transition office space but not permanent?
2. Can we release the other 2 locations we spoke about --- the other Woodbridge location and the office lease?

Thank you, Kathy

Hey Kathy – would you all be able to provide some further details of the terms of the 136 Woodbridge Road lease?

If you all have a further breakdown of the property costs, lease notification timelines, and other related items, that would be very helpful.

Thanks,

Beau Harrison
